V-GROOVE

# Hand Scraped

1210 x 161 x 12 mm

This collection is homage to traditions of hand crafted wood floors. Using the oldest craft method, wooden panels are shaved with a scraper to create a surface that appears hand scraped. It was achieved to create a surface, whose natural origin has been refined into a design element. With unique grain patterns and dramatic color ranges Hand Scraped collection is sure to make a bold statement in any home.

EBONY 6006

# Saw Cut

1212 x 162 x 8 mm  
V-GROOVE

Unique expressions don't have to be loud and brash, they sometimes reside in details. Details like the classy saw-cut surface boasts of rugged character and raw urban sophistication. Saw Cut is a beautiful combination of contemporary and rustic that will instantly add a modern feel to any room. This new age embossing and heavy texture on its surface makes it the perfect choice for anyone in search of designer quality finishes.
